Product Description

A frozen bakery product made from specially formulated cookie dough, filled with chocolate hazelnut cream and milk chocolate chips. During baking, the outer layer develops a slightly crisp texture, while the filling retains its creamy consistency, delivering an intense cocoa and hazelnut aroma. The texture and flavor balance are optimized, ensuring consistent quality through a controlled production process. Suitable for consumption on its own or heated, it pairs well with coffee and hot beverages for an enhanced tasting experience.

Organoleptic properties

Appearance:

Golden brown in color with a slightly textured surface, featuring embedded chocolate chips. The cross-section reveals a distinct chocolate hazelnut cream filling with a clear separation between the outer dough and the inner layer.

Taste:

The outer layer has a buttery and slightly vanilla-flavored classic cookie taste. The chocolate hazelnut cream filling provides an intense cocoa and hazelnut flavor. Chocolate chips add sweet and mildly bitter notes, creating a well-balanced flavor profile.

Aroma:

The baked buttery dough emits a light caramelized aroma. The chocolate hazelnut cream filling enhances the scent with rich chocolate and roasted hazelnut notes, contributing to a warm and sweet fragrance profile.
